

A man and a woman in PAGSS uniforms are smiling and standing in front of a large airplane. The man is on the left, wearing a grey vest over a white shirt and tie. The woman is on the right, wearing a grey blazer. The airplane is a large commercial jet, and the background is a bright blue sky with some clouds.

## NEW YEAR, NEW LOOK

Philippine Airport Ground Support Solutions Inc. (PAGSS), one of the major ground handling agencies in Manila, is celebrating its 16<sup>th</sup> year anniversary on 01 April 2012. To coincide with this momentous event, PAGSS re-launched its official website which aims to bring the Company to a wider reach by providing an easy access to the Company's history, products, people and services.

The website shows the Company's profile, its valued clients, job opportunities offered by the Company, the prime movers and people behind PAGSS' success which makes it the preferred ground handler of major airlines in Manila.

In its 16 years of partnership with its valued clients, the Company takes pride in its commitment to providing superior service that exceeds beyond customer satisfaction, as manifested in the numerous recognitions and awards received.

With the re-launch of the website is the stronger commitment of the men and women behind the Company, in operating its business with utmost excellence, and continuously enhancing its resources, skills and technology, to deliver world class service to its clientele.
